SUBJECT: UAE - SHARING THE REVISED DRAFT TEXT OF A NEW
UNSCR ON IRAQ

Ref: State 121748

(U) Classified by Acting Deputy Chief of Mission
Hilary Olsin-Windecker, reasons 1.5 (b) and (d).

(C) Polchief shared the revised draft UNSCR text on
Iraq (included in reftel) with the UAE Ministry of
Foreign Affairs' Office of the Under Secretary and
Department of International Organizations on June 2.
Yacub Al-Hosani, the director of the International
Organizations unit, told Polchief that the UAEG is
studying the resolution very carefully, but that
ultimately it is not the resolution but its
implementation that will be important. Al-Hosani also
said it was essential that the Security Council adopt

a resolution that clearly defines the multinational force's authority and the duration of its mandate. Without that kind of clarity, he said, there could be some problems in the future. Al-Hosani also commented favorably on the draft resolution's text related to the control of Iraq's resources, and on the establishment of the Iraqi Interim Government. We are reporting the UAE leadership's expressions of support for the new Iraqi leaders septel.
